## News from Trinity Pet

Coming soon in 2012, Trinity Pet will be offering specialty dog and cat items to the independent pet market place. These additional product choices will provide your store with low prices and quality merchandise, as well as fast friendly service. Moving forward let's have good sales, high profits and most of all, build a good friendship.

**Order directly from our web site [www.trinitypet.com](http://www.trinitypet.com)**  
*(Click on the Flag at bottom to see prices)*

## Trinity Pet Product Update

Bayer, better known as Advantage and Advantix, has introduced a change in their formulations. The new formula includes an insect growth regulator (IGR) called Pyriproxyfen. The new formulation will kill ALL Flea Life Stages and prevent fleas on treated dogs from infesting the home.

New Items will be called **ADVANTAGE II** & **ADVANTIX II** and will be available in 4 Month and 6 Month Sizes
